June 2013 | www.skissc.com

PRESIDENT'S CORNER

I know you have been out enjoying these warmer days, now that summer has actually arrived! And as you can see from our list of events, there are plenty of things going on during the weeks ahead.

Our Trip Committee has been very busy and so have our Trip Leaders, working to bring you the best variety of ski destinations, terrain, lodging and pricing that we can for 2014. We are still finalizing some details, but we are now able to share some key facts with you. We should have all the information you need very soon, so please watch for the signup info in the July newsletter.

I hope to see ALL OF YOU at the picnic on June 29 because YOU are the folks who make it fun! Trip applications and deposits will be accepted at the picnic starting at noon, but just in case you cannot attend, deposits and applications/deposits hand-delivered to the trip leaders at the picnic or postmarked June 22-29 will have equivalent eligibility in the event that any trip is over-subscribed and a lottery becomes necessary.

In the meantime, please make plans to attend the annual SSC summer picnic so you can meet and greet all the trip leaders before making your final decisions. Until then, you can enjoy some of our upcoming activities, including deck parties, festivals, biking and more!

Pinchot Bike/Hike/Paddle/Picnic ~ Saturday, July 20

Grab your gear and join us at Pinchot State Park for a day of play on July 20. Starting at 9:30 am you can launch a kayak, ride a bike or take a walk in the woods as your leaders take you on an adventure through the park. The paddlers will explore some of the open water in the park and may venture up a creek but they will definitely have their paddles...none of that up a creek without a paddle stuff! We may have a couple of extra kayaks, so if you want to try this activity, you are welcome to join us. The bikers will have a choice of exploring some beginner or intermediate mountain bike trails in the park riding along the lake front, deep into the woods and will include some of the roads inside the park. The ride will be about 12 miles. The hikers will ramble along the edge of the lake for a three-mile hike in this Central PA oasis.

After the morning's activities everyone is encouraged to hang around for a picnic. Please bring something to share with the group and we will throw some hot dogs on the grill. In the afternoon, it's back to playing with your choice of a paddle, hike or swim. Meet at the Conewago Day Use area on the south side of the park. The entrance is on Alpine Road (for those using a GPS, the entrance is across from 1180 Alpine Road, Lewisberry). We will attempt to commandeer the isthmus to the right as you enter the main parking area. For more info contact Mike Gavin at mike@michaelgavin.com or 717-495-1905.
