MOUNT VERNON BIKE RIDE Saturday, September 14

Join your friends for a scenic and historical Mount Vernon bike tour on Saturday, September 14. Meet at Belle Haven Park, midway between Mt. Vernon (George Washington's home) and Reagan National Airport, prior to our 10:30 departure time. Allow approximately two hours for travel; carpooling is preferred. The Mount Vernon Trail follows the Potomac's Virginia shoreline and for the most part the surface is paved. It offers wonderful views of the Potomac and DC monuments, along with George Washington's home at Mount Vernon, Olde Town Alexandria, and the local's favorite Gravelly Point.

What makes this ride unique is the variety of scenery where the paved surface becomes a wooden foot bridge that crosses over marshes creating a nature preserve feeling. We will pass through colonial Old Town Alexandria from the bike path onto the quaint Union Street, pedal past the Torpedo Factory, which was constructed in 1918 for manufacturing torpedoes and has been converted into an art gallery and museum. This part of Union Street runs for about two miles along the Potomac River and then turns back into the bike trail that weaves along the outside and inside of the George Washington Parkway.

The first part of the ride toward Mount Vernon is about 8 miles where we'll take a short break for refreshments, or you are welcome to tour the mansion and the estate. We will then bike back to Belle Haven and enjoy a tailgate lunch at our cars, then bike north to Gravelly Point (about 6 miles) to experience the thrilling feel of planes landing at Reagan National Airport, then head back to Belle Haven Park where we began our ride.

Just like every year, we have contracts with our tour operators which require advance deposits to hold air and hotel space, but we are starting to reach deadlines to turn back unsold space. January 18-25 ~ Aspen Snowmass, CO ~ EPSC Winter Carnival

Breathtaking, exhilarating, and huge are just a few ways to describe Snowmass, the crown jewel of Colorado. Already famous for endless terrain (over 3,000 acres) and tons of snow (300 inches), Snowmass is now undergoing a renaissance like no other with two new gondolas, a new high-speed six pack and numerous on-mountain improvements. There is powder skiing and terrain for everyone! And that is just one of the four mountains you can ski on this fabulous trip. In addition, this trip is packed with a lot of extra perks because it is an Eastern PA Ski Council organized trip.

Our trip includes air from Harrisburg to Denver, motorcoach to/from Snowmass, lodging at the Stonebridge Inn in Snowmass village, daily hot breakfast, 5-day interchangeable lift ticket for four mountains, welcome orientation, on mountain guided tour, evening dinner event with DJ and dancing, on mountain lunch, Nastar race, farewell dessert event and race awards, daily drink specials, and numerous giveaways at various events. EPSC organized events will be held at the Westin in Snowmass Village. And to make it even better...the X Games will be held at Buttermilk Mountain on Wednesday during our stay. This trip is priced at approximately \$1,830 pp double occupancy. Please contact **trip leader Dianne Paukovits** for more details at 717-566-7184 or dpaukovits@skissc.com, or send your deposit of \$600 payable to SSC to Dianne Paukovits, 720 Pine Tree Rd, Hummelstown, PA 17036.

January 25-February 1 ~ Big Sky, Montana

This trip is almost sold out...we only need one female to fill the last space. Big Sky/Moonlight has an average of 400 inches of snow annually and it's one of the most scenic resorts in the country. We fly out of BWI and stay at the famous Huntley, which is well within walking distance of the lifts and provides all the usual amenities we have come to expect. The cost is only \$1649 pp double occupancy, which includes air and ground transportation, 7 nights lodging, daily hot breakfast buffet, 5-day lift ticket, baggage assistance, lodging taxes & fees, and a welcome party. Non-skiers deduct \$240. For further information contact Lovena Nickle at lnickle@skissc.com or call 717-541-8803. Send your \$600 deposit payable to SSC to Lovena Nickle, 195 Mapleton Drive, Harrisburg, PA 17112.

February 9-16 ~ Revelstoke, British Columbia

There are only a few more spaces for our first SSC adventure to Revelstoke Mountain Resort in beautiful British Columbia, so if you have been considering a new destination for 2014, please don't hesitate. Revelstoke boasts North America's greatest vertical at 5,620 feet, along with 3,121 acres of fall line skiing, 59 named runs, high alpine bowls, 13 areas of gladed terrain and phenomenal groomed terrain. And Revelstoke claims to be the only resort worldwide to offer lift, cat, heli and backcountry skiing *from one village base*. The new Turtle Creek Rail Line was added last year right next to the village, which offers a great venue for night skiing, snowboarding, tubing and beginner areas. There are many taverns and restaurants located in downtown Revelstoke for your enjoyment as well.

The basic package includes roundtrip air from Philadelphia to Kelowna, ground transportation to the resort, 7 nights lodging at Powder Springs Hotel, all taxes, 6-day lift ticket, daily breakfasts, a welcome orientation and a wine and cheese party for just \$1,726 US pp double occupancy. A valid passport is required for travel to Canada and reservations should be made early for heli and cat skiing, so please contact the trip leader 717-307-0446 or email jbillmyer@skissc.com. Send your \$580 deposit payable to SSC to **trip leader Jack Billmyer**, 1603 E. Caracas Avenue, Hershey, PA 17033.

February 15-22 ~ Mount Bachelor, Oregon

Only a few more spaces remain to this truly unique ski destination, so hurry and embrace the opportunity to ski a dormant volcano in a pristine national forest. Explore over 70 trails spanning 3,683 acres, with a 9065' summit. Mt. Bachelor offers terrain to satisfy every level of skier ability and averages 400" annual snowfall. Bend, Oregon aka Beer City, USA, due to numerous micro-breweries, is a mere 25-minute commute to the ski resort.

The trip includes roundtrip air from Harrisburg to Portland, bus transfers and baggage handling to Bend, 7 nights lodging at the Doubletree Hotel & Suites with daily breakfast buffet, welcome reception, a 5 of 6-day lift ticket to Mt. Bachelor (optional 6th day) après ski party on the mountain, a group buffet lunch on our last day of skiing, plus a group photo. Guests have access to over 30 eating establishments and 17 microbreweries or brew pubs all within walking distance in town. This incredible package is priced at just \$1330 pp/do, \$1230 pp triple, or \$1888 pp single. Your deposit of \$500 made out to SSC, along with your completed trip application, can be mailed to **trip leader Terri Falk**, 226 Burd Coleman Road, Lebanon, PA 17042. For more info, contact tfalk@skissc.com or 717-228-9939.

February 23-28 ~ Sugarloaf, Maine

Back by popular demand is a trip to Sugarloaf, Maine, the largest ski area east of the Rockies, the only East Coast area with lift-serviced terrain above tree line and eastern skiing so fine it resembles the best of western conditions! This resort features 1,153 of skiable acres or 54 miles of developed trails translating into 154 trails/glades and 2,820 feet vertical...the most continuous in New England.
